RE: Amendment to PRN #0731201 (POP-03)—Alternate #1

Dear Mr. Moles:

The staff of the Division of Gaming Enforcement's (Division) Regulatory Enforcement Bureau has reviewed the amendment, dated June 1, 2012 and received on June 4, 2012, to DGMB Casino, LLC, d/b/a Resorts Casino Hotel's (Resorts) currently approved petition.

Resorts is currently operating under the Certificate of Operation which was approved in Petition #0731201 on April 23, 2012.

By this amendment, Resorts seeks approval to add Alternate #1 as an option for its casino floor as depicted on the architectural drawing labeled POP-03 dated May 23, 2012 which was prepared and certified by Kimberly McCarron, RA, License #AI-16521, of SOSH Architects.

(609) 441-3106

**The petitioner proposes the following:**

1. Add Alternate #1 to POP-03  
When in use the following changes occur:
  - a. Slot Zone 18 - Remove six (6) slot machines.
  - b. Pit # 5 - Remove two (2) Blackjack tables.
  - c. Vehicle added to area as depicted on blueprint.

**Statistical Calculations when Alternate #1 is in use:**

1. A decrease of six (6) slot machines/stools. The total number of slot machines and stools would be **2,071**.
2. A decrease of two (2) tables games. The total number of table games would be **88**.
3. The total gaming area remains the same at **97,707** square feet.
4. The allowable slot coverage (90% of 97,707 sq. ft) is **87,936** square feet.
5. The actual slot coverage is **71,362** square feet, which is **73.04%** of the total gaming area and within the allowable 90% for slot density.

Based on the Division's authority, the requested amendment to Resorts' Certificate of Operation as set forth above, is hereby granted pursuant to N.J.A.C. 13:69C-1-7.1 et seq.

**This approval is subject to the following conditions:**

- A. That revised operational blueprints, reflecting the changes approved herein be submitted to the Division's Regulatory Enforcement Bureau, casino licensee's security podium and the casino licensee's CCTV monitoring room;
- B. That all steps are taken to ensure maximum patron comfort and safety during the period of renovation;
- C. That the procedures detailed in the Slot Procedures Manual are followed during the movement of slot machines;
- D. That a revised Slot Master List is submitted to the Division;

- E. That a revised Table Game inventory list is submitted to the in-house DGE office;
- F. That Resorts notifies the Division immediately in the event of any modifications to the approvals granted herein;
- G. That Resorts comply with all requirements and conditions appended to approvals received from all involved agencies of government whose approvals are required in order for a Certificate of Occupancy for the general public to be issued including, but not limited to, the Department of Community Affairs and the local construction official;
- H. That Resorts' security and surveillance submissions are updated to include any change in the slot cash storage box trolley routes;
- I. That Resorts complies with CCTV requirements identified in N.J.A.C. 13:69D-1.10 regarding the requirements to record all gaming tables whether active or inactive;
- J. All events capable of being monitored must be accessible from the Division's CCTV monitoring system as required by N.J.A.C. 13:69D-1.10(a)3; and,
- K. **When the Alternate #1 configuration is to be implemented, Resorts shall provide the Division the proper 72 hour notice and schedule a physical and CCTV inspection as per N.J.A.C. 13:69C-7.69(A)6.**

To schedule an inspection, please contact the Division at [inspections@njdge.org](mailto:inspections@njdge.org).

If you have any questions, please do not hesitate to contact Bill Kendzierski of my staff at 441-7557.

Sincerely,

Don Errera, Deputy Chief  
Regulatory Enforcement Bureau
